

The
Read The Bible Through
Campaign

<http://www.ReadTheBibleThrough.net>

Thank you for participating in The *Read The Bible Through* Campaign, sponsored by Purpose and Vision Missions. This Campaign traces back to an elder of a small farming community church in rural Arkansas in the United States. His heartfelt desire was to encourage every member of that congregation to completely *Read The Bible Through* at least once in their lifetimes.

They reacted enthusiastically, and soon, others began responding to the challenge. We are now encouraging people across all the U.S. states and all the countries of the world to become part of this endeavor of great spiritual discipline.

Please notify us with your name and address when you complete this amazing journey! We want to send to you a nicely printed **Award** certificate as a recognition of your participation in this special project honoring God's word, the Holy Bible. You will want to frame and display this certificate as a joyful reminder to yourself of your spiritual accomplishment and as an encouragement to others to do the same.

The Campaign Goal

Our purpose and vision in this Campaign is to empower at least one million people to *Read The Bible Through*, every verse! And we want to recognize those million Bible readers with a numbered **Award** certificate, which will, in turn, encourage others to do likewise.

This is a great spiritual feat for everyone who participates. We believe in the blessings of God's word to our families and communities. We believe what God has said through the prophet Isaiah that God's word is not empty or void in any way, but always accomplishing God's purpose and vision for the souls of mankind (Isaiah 55:11).

We are thankful in our prayers that you have chosen to be one of the one million (or more!) people who will completely *Read The Bible Through*. Over the years, the secular world has enlisted one million people to join or march or rally for or petition for various causes and programs. Let us exalt the name of God by getting one million (or more!) people to *Read The Bible Through*.

If you have already completed reading the entire Bible, we want to count you among the million also. Please let us know! This is a simple undenominational effort to encourage people to completely *Read The Bible Through*. Be aware that this Campaign does not address any issues relative to questions such as which translations/versions of the Bible are better than others. For this basic purpose and vision, use the version of your choice. We just want to encourage you to be part of a throng of people throughout the world who are spiritually determined to *Read The Bible Through*.

The Campaign Strategy

The Campaign Strategy Chart that we have posted on our site is the Bible broken down into 730 suggested daily Bible readings. Since there are 730 days in two years, following this Strategy will guide you to *Read The Bible Through* completely in two years. This Strategy Chart is numbered, not dated. That way, you can begin when or where you want! We believe the amount of reading in each of these suggested daily readings is an amount that most people will be able to manage on a daily basis.

In this Strategy, each week will consist of four readings from one Testament, and three from the other Testament. One week it will be three from the Old and four from the New; the next week will have four from the New and three from the Old. By no means do you need to follow the order of this chart. Just mark off the passages on the chart in whatever order you follow. When you have checked all the boxes, then you know you have attained the goal!

Certainly, you might read more quickly or slowly. Opportunity of time, circumstances, illnesses, and other matters affect each individual's process. Whatever your pace, when you complete a daily reading, in whatever order you follow, put a mark in the box beside it. This Strategy is entirely to make it easy for you to note your progress. Make as many copies as you wish. In fact, the more people who use it the better!

If you wish to *Read the Bible Through* in one year, then do two readings per day, marking the boxes as you finish them. But, whether you go slower or faster, change the order of readings, or follow the chart exactly, is entirely up to you. The simplicity of the Strategy chart is that the little check boxes help you to know what you have read and what portions of the Bible remain to be read.

Again, it is not necessary to follow this Strategy in order! If you want to read straight from Genesis and on through Revelation, just mark the appropriate boxes as you read. Maybe your church or Bible class is studying a particular book of the Bible. Just mark the appropriate boxes on the chart. You can follow any order that you desire or that works for you.

When all 730 boxes are marked as completed, you have succeeded in your goal to *Read The Bible Through*!

Maybe you have already read parts of the Bible. (And we hope that you have!) So, to get you completely through the Bible at least one time in your lifetime as quickly as possible, when you begin, simply check off the passages you are sure you have already read (maybe even the entire Bible!). Then pursue the remaining readings in any order that works for you. The Strategy chart is simply a guide and a method to notate your progress along the way.

The idea of this is to *Read The Bible Through* completely at least once in your lifetime! After you finish, you can go through again, perhaps in a more studious way, and we definitely do suggest that. Yes, we want the world to *study* God's word, and not just *read* it. But, we cannot study what we are not reading. This effort is designed to get the reading happening, with the belief that the studying will surely follow.

We want this Campaign to encourage you! One man asked if he "qualified" by listening to tapes of the Bible while driving. Without doubt, this is fine! He has completed the entire Bible, and has been recognized! Three women in a village in India wanted to participate, but one was illiterate. The two read aloud while the third listened. All three have been recognized!

Access God's word through sight, with your eyes; or, through sound, with your ears; or, even through touch, with your fingers (braille readers, for instance). We just want God's word to be upon the hearts and minds of everyone (Hebrews 10:16).

Maybe you will create a reading group. Perhaps you will use specially produced One Year Bibles. It may be that you will follow reading plans on your mobile device, or listen to tapes. Or, it might be something just as simple as reading a passage before sleep, or after waking up. Be creative! Mark off the Strategy chart, (or any other method), to remember your progress.

But, please be sure to let us know when you have completed the entire Bible! We are passionate for you to be one of a million strong. And maybe more than one million will take up this challenge.

We have a form at the website, ReadTheBibleThrough.net to let us know where to mail your **Award** certificate (anywhere in the world). Or you can send an e-mail to us at finished@pandv.org with your mailing information.

There is no cost to receive the **Award** certificate.

We look forward to hearing from you. And be sure to invite others to participate!

1 Timothy 4:13; 2 Timothy 2:15 Happy Bible Reading!
